**Re: NR Media, Inc. et al. v. Too Much Media, LLC et al.  
Case No. 06-3988 (JAP)(JJH)**

Dear Judge Hughes:

This firm represents defendants John Albright and Charles Berrebbi in the above-referenced matter. I join in Too Much Media's position in this matter as set forth by Mr. Kreizman's letter to the Court of July 18, 2008.

The purpose of my letter is to correct the representation made by Ms. Topelsohn that I had consented to the form of settlement agreement/release. That is untrue. I specifically advised Ms. Topelsohn in our initial discussion of the settlement documents of my concern regarding the Hale matter, advised that it needed to be addressed in the document and stated that since I was unfamiliar with the specifics of the Hale matter, that she and Mr. Kreizman would need to resolve the same. Thereafter, following correspondence upon which I was copied, directed to Mr. Kreizman from Ms. Topelsohn, I forwarded an email to her associate again advising of my objection. This email was sent on July 15, 2008. On July 16, 2008, Ms. Topelsohn filed her letter to Mr. Kreizman with the Court. . Attached hereto is a true copy of my email to Mr. Harbace.

Respectfully submitted,

*s/Andrea J. Sullivan*

Mr. Harbace: Please convey to Ms. Topelsohn that her representation that I approved the form of the agreement that had been previously forwarded, absent paragraph 7, is inaccurate. I specifically advised Ms. Topelsohn of the issue regarding confidentiality and Too Much Media's pending defamation litigation against a non-party to this action. I advised her that I was unaware of the particulars of that matter and she and Mr. Kreizman would have to work out acceptable language, etc. Accordingly, the agreement, as drafted, is not acceptable to me nor has it ever been so. I remain willing to be bound by whatever language/agreement Ms. Topelsohn and Mr. Kreizman work out in that regard.

Andrea J. Sullivan, Esq.
